**Associated Builders & Contractors, Inc., Heart of America Chapter
Announces 2024 Class of LEAD ABC: Executive Leadership Program**

Kansas City, Missouri - Associated Builders & Contractors, Inc. (ABC), Heart of America Chapter has announced the selected members of the 2024 LEAD ABC Class. ABC's LEAD program is an immersive 9-month (March - December) executive leadership program that will take current and future executives to the next level as they build their career in the construction industry. These successful LEAD applicants are committed to personal and professional development, the merit shop philosophy, and contributing to the industry at large. Throughout the program participants will learn from industry experts and leadership professionals while building connections with colleagues across the industry.

"We consider it a privilege that such an impressive group of professionals would choose to spend their time and energy with ABC. We are certain that this will be another successful LEAD program." said Michele Roberts-Bauer, President of ABC Heart of America.
